

Coventry Cycle Speedway Club Fees for 2021

Club fees are the much needed source of regular income that go directly to support the running of the club for its members.

The monthly payments cover the period of March to September 2021 and cover all club sessions.

There are two ways to pay club fees:

1. **Pay directly into our club account.** By doing so you will be helping to 'free up' training time and making things easier for the coaches. Payment of a 'block' of months in advance is welcomed also, if preferred. This method of payment provides advanced income and aids planning for club activities and equipment.

The pay monthly costs are:-

- Seniors £10
- Juniors £5

Account Name: Coventry csc

Bank account S/c 30-93-54

A/c No. 01513621

2. **Pay per session.** However, we realise that advance bank payment is not appropriate for everyone, so we will still take cash at each session, but we would like to keep this to a minimum.

- Individual session £3
- Bike hire £1.50

If you want to donate more, you can of course, it all helps!
